

Calling All Mentors!

Committed Adults are Needed to Support New Big Brothers Big Sisters Initiative in the Normandy School District

Beyond Housing and the 24:1 Initiative are excited to announce an exciting partnership between Big Brothers Big Sisters of Eastern Missouri and the Normandy School District. In the 2011-2012 school year, Big Brothers Big Sisters will match 50 students at Washington Elementary School with adult mentors. These “Bigs” and “Littles” will form lasting relationships that will help the students socially and academically.

We need your help to recruit adult mentors for the program!

- Sign up to be a Big Brother or a Big Sister!
- Help spread the word to inspiring adults you know in the community.
